SENATOR DWORAK: Mr. President . . .

CLERK: Mr. President, there are some DeCamp amendments on 269 which I had understood were withdrawn, but we still have them on the bill. Are they to be withdrawn? They were offered. They're set out in full in the Journal on page 1361. Then on April 22nd they were withdrawn.

PRESIDENT: Senator DeCamp do you want to be recognized?

SENATOR DeCAMP: Would it be timely to take up the amendments now?

PRESIDENT: Yes. Well, Mr. Clerk would you advise us have they been . . .

CLERK: You withdrew them on the 22nd. You can reoffer them if you want to. As I recall your request to us was to keep them here.

SENATOR DeCAMP: Yeah. I will not reoffer them at this time.

PRESIDENT: Read the amendments Mr. Clerk.

CLERK: There are no further amendments then.

PRESIDENT: Have you read the amendments?

CLERK: He withdrew them. There are no amendments.

PRESIDENT: OK. Alright, they've been withdrawn. Then you can move the advancement Senator Dworak.

SENATOR DWORAK: Mr. President, I move that LB 269 be advanced to Enrollment and Review for engrossment.

PRESIDENT: Discussion of the motion? All those in favor say aye, contrary nay. 269 is advanced.

CLERK: Mr. President, Senator . . . yes, that's the end of Select File. Mr. President, Senator Marvel asks unanimous consent to bracket 598 on E & R final.

PRESIDENT: The question is the bracketing of 598. Senator Clark.

SENATOR CLARK: The reason we'd like to have that bracketed is we have some more cash funds we have to look into. We'd certainly like to have it bracketed right here please.

PRESIDENT: Alright. Any further discussion?

SENATOR CLARK: Could I ask unanimous consent?

PRESIDENT: Yes. Is there an objection? Seeing none, it's so ordered.
